Whitening said, 100,000 children per year are killed by being worked in factories and mines.

Judge A. L. Gilstrop said, the clause is not a necessity to us now. Dr. Green, of Livingston county, favored

a modification McGuire, of St. Louis, (a socialistic greenbacker) favored the clause, saving: "Missouri has a bed name as to education. Ne are considered a mob of ignorant people. By putting in this plank we place York, Massachussetts and Rhode Island. Kyles, of Rudol, a county, nominated Will you still keep your school houses empty and your prisons and criminal institutions full? It is cheaper to prevent than to punish crime. Children are wards of the state. It is the state's duty to educate them, so they will not be an ignorant mass to be controlled by politicians and tricksters. This is a question of self protection, a question of public economy This resolution voices the thoughts of every reformer and advanced thinker of our nation. You know not the spirit of the age if you strike out that clause. This working of children in mines and factories dwarfs them physically, mentally and
